President's Message

We just had our "World of Wheels" car show here in Kansas City, and Diane and I were talking about how fair we thought the judges were and what a great job they did. When you attend a Regional, National or local show, I encourage each of you to mark your ballots as if you were a judge and vote for the best car in each of the classes. We have had some complaints about people voting for cars of friends or members of their chapters. If this continues, we might have to revert to giving only the three awards that the FCA requires for a National Meet — Oldest Falcon, Longest Distance and People's Choice.

I'm in charge of various jobs at the National Meet this summer in Springfield, Missouri. I need volunteers and/or chapters to help with registration, hospitality room, and setting up for the banquet. If we all do a little to help pull off this meet, it won't be a big burden for anyone. Please call me at 913/381-5679 if you can help.

Take care,
Jim Hatcher

Chapter News

The **Carolinas Chapter** had 15 members at their first meeting of 1996 despite the ice and snow. Stan Cude was named Chairperson of the 1996 Regional scheduled for September 20 and 21 at the Holiday Inn-Woodlawn in Charlotte. The theme will be the 1964-1965 A/FX Falcon drag cars and the round track Falcon race cars. They also discussed their annual Falcon car show that's to be held at Town & Country Ford on May 11.

Officers elected to serve the **Alamo Chapter** for 1996 are George Myers, president; Rolf Kargl, vice president; Herschel Barber, secretary/treasurer.

The **Gateway Chapter** held its second annual "All Ford Show" in October, and everyone had a good time. Officers elected in November were Rich Tribout, president; Bill Geisler, vice president; Jim Inman, treasurer; Janice Branson, secretary. The December meeting was a great Christmas dinner and gift exchange.

Twenty-nine members of the **Mile Hi Chapter** attended the January kick-off meeting at Mike Naughton Ford Agency in Aurora, Colorado. A group of chapter members have formed a steering committee to pursue hosting the 1998 National Convention and have begun working toward that goal. Co-chairing the committee are Judy Scott and Jan Brown.

The **Sonoma County Falcons for Fun Chapter** had an excellent turnout for their January cruise to St. Helena, despite the rain. They are planning to attend a concert featuring the Drifters and the Sherrels in March.

The initial groundwork has been laid out by the **Northeast Chapter** for their 3rd Annual Regional Meet that will be held on August 17, and their 5th All Ford Show on August 18. The location will be the Ramada Inn in Auburn, MA.

Tech Tips

Wind Tunnel?

Occasionally you'll see someone towing a car with a car cover attached. Don't do it! Car covers aren't designed for this purpose. The 40-60 mph wind will make the cover flap against the car. In the end, the paint will be rubbed right off the sheetmetal. To make matters worse, you'll probably destroy the car cover.

Rack of Ribs

When adding new radiator hoses to your car, stay away from the ribbed fits-all models. Not only are they ugly, they also restrict coolant flow — often by significant margins. Furthermore, the quality of these hoses is usually less than ideal. In the end, use correctly-formed hoses and you won't have to worry so much about heating problems.

Take the Pledge

A quick detailing trick that works on rubber, plastic and vinyl is Pledge aerosol furniture polish. It produces a nice shine and helps keep the dust down to a minimum. The best part is that it's quick and easy!

Quick Dress-Up

Hand cleaner works well to dissolve grease and oil from plug wires, hoses and vacuum lines. Just place a dab of cleaner on a shop towel and wipe off the grime. It gives a cleaner, off-the-shelf look as opposed to that shiny "slick" look of silicone sprays. You can also try liquid spray cleaners such as those from Rust-Oleum or Castrol.

In the Spotlight from West Milford, NJ

"1962 Ranchero"

Our 1962 Falcon Ranchero was purchased in 1988. It has a 6 cylinder 170 engine with a three-speed on the column. Originally from California, the Ranchero was very clean when we bought her.

My husband then began to restore it, keeping everything original — the parts and the color. He did the paint job himself, and it came out beautifully! A small wall was taken down between the garage and the basement, opening it up enough for him to fit the Falcon into the basement next to his workbench.

And now, seven years and two children later, his Falcon is finally finished.

So, when the sun's shining and the weather's nice, he gets to take the Ranchero to work or out for a pleasure ride.

Editor's Note: Following is the letter that accompanied the story and photo.

Dear Kathy,

I've enclosed a picture of my husband's "Pride and Joy." He's done such a great job restoring it, I thought it would be great to get the picture in the newsletter. I've enclosed a little history about it also.

This is such a great surprise for him. He's going to flip when he opens it up to read and sees his car. His name is Bob Trent.

Thank you so much for your help!

Sharon Trent
